COURT

Driver sentenced a year after crash

The driver of a car who pleaded guilty to careless driving causing death following a collision on Whitford Road on May 8 last year has been sentenced.

Trade name Carl Brown admitted the charge and three counts of careless driving causing injury at an earlier hearing.

He was sentenced in the Manukau District Court last week to 12 weeks' community detention, 200 hours' community service, been banned from driving for 18 months and must pay \$12,000 to his victims at \$40 a week.

Brown's car ploughed into an eight-wheeled rental van driving along Whitford Rd toward Napier carrying a Dutch family - couple Jeroen and Renske Hendrika, their three sons aged 2 to 5 and the youngest grandmother Margaret de Vries. A media report said Mrs de Vries was critically hurt with significant abdominal injuries. Mrs Hendrika broke an ankle and wrist and the boys each broke their collarbones while the youngest also suffered a fractured elbow.

Mrs de Vries, who did regain consciousness, was watched by family for 104 days but did not survive after treatment was stopped.
