Hi everyone

Well it has been another busy week in the life of Rotary. Sunday morning saw 4 members attend the District Changeover where we welcomed new DG Malini Raghwan into her role. The theme for the new Rotary year is Rotary – Making a Difference which is something that we can all do, no matter how big or small it may seem to us. It was also pleasing that our Club's efforts were acknowledged as within the District we were 2nd for foundation contributions by member and 3rd for polio contributions by member. While only a small club we are contributing in a positive way which will lead to us Making a Difference in the life of the Community.

Monday's meeting was very quiet with 6 members in attendance including Simon Mantle who has been travelling the North Island for the last few months. It was great to see him and catch up on some of his news. We also had some very positive discussions around the coming year and what we wanted to do as a Club. Critical to this is working out what our story is and how we can use this to attract greater interest in Rotary within the community and most importantly attract new members who have something to give. The words that were used at the District Leadership Assembly were 'club re-birthing' which is what we are needing to do with our Club. We need to look for new beginnings, new opportunities and new pathways to do this. So if in reading this any of you have any ideas about what you would like to see the Club doing this year, please contact me.

We have a number of members travelling over the next 2 weeks so have made the decision not to meet for the next 2 weeks; we have an exciting program planned for Monday 24th July and it would be great for there to be a big turnout on this night to hear from the rugby team we are sponsoring.

All the best for the coming week.

Best wishes

Stuart

## From the EDITOR

*Amongst tonight's discussions was the subject of the bulletin. In August upon my return from holiday I will start doing the bulletin in Clubrunner. I want to take this opportunity to update the content.*

*So with this in mind, I request our members currently working outside of Auckland to send us a regular email paragraph or 2 on what's happening in your life that I can publish.*

*Also we are interested to hear the same from our Honorary Members.*

*You can email me @

Hi all Active and Honorary Members of the Rotary Club of Botany East Tamaki ( inc ),

As you will all be aware the Club has been supporting the South Team competing in the Bill McLaren Rugby Tournament for the past 4/5 years. As you will see from the attached draw the first game is on Monday 10 July at 11 am on Field 2 continuing the with the next 2 games being Tuesday 11 July on Field 1 at 11.45 am and Wednesday 12 July on Field at 10.30 am. The next days 2 games are to be advised as they are the playoffs, and the Final which we will hopefully be a part of. I will keep you informed as we progress.

The venue for all the games is Colin Maiden Park on Merton's Road Mt Wellington/Glen Innes which is the Auckland University Sports Ground . So that you know which team to look for the South Teams Jerseys are Blue just like Manu Samoa for rugby enthusiasts, or for others Cambridge Blue.

Why am I sending this information to you ? Well we want your support to cheer the Team on and to show Rotary involvement to the youth in our community.

Should you be able to attend wear a winter jacket and sturdy footwear as if it has been raining prior the grass will be wet and being a Rugby/Sports ground it is open to the elements ( not trying to put anyone off ) .

Coffee van/s are on site to warm you up.

After the game/s we could all meet at a Cafe locally for some fellowship. No need to reply to this email just turn up would be great – if you get lost call/ text me on 021 646643. Be good to see you there.

Regards,

Bob Donovan – Honorary Member Liaison

### Donating to Charitable Causes - Important Note: —

It is very important that all Club members when giving funds for a particular Charitable purpose, make out the payment to the "Rotary Club of Botany East Tamaki Charitable Trust Account".

Acc # 123233-0450671-00

Also notate the payment to nominate the Charity or purpose the funds are for, if it is for a specific Charity.

**Failure to make these payments to the Clubs Charitable Trust Account, will invalidate any receipt for IRD and Charities Commission purposes.**

If members personally make out a donation/ contribution directly to the Charity, or the Charities Bank account, it will not be able to be claimed as a Charitable Donation, **unless** the recipient is a registered Charity and issues you with an appropriately identified Receipt.

The Club will consolidate the moneys for the specific Charity and forward a single payment from our **Charitable Trust Account** directly to the respective Charity. The recipient will then be able to Claim the money as received from a Registered Charity for IRD purposes.

**The Club "Charitable Trust Account" will also make out an IRD acceptable Receipt**

## Rotary Trivia

Undoubtedly the most important step to promote voluntary giving to The Rotary Foundation occurred in 1957, when the idea of Paul Harris Fellow recognition was first proposed. Although the concept of making US\$1,000 gifts to the Foundation was slow in developing, by the early 1970s it began to gain popularity. The distinctive Paul Harris Fellow lapel pin and attractive certificate have become highly respected symbols of a substantial financial commitment to The Rotary Foundation by Rotarians and friends around the world.
