It's at a fantastic Auckland venue so you don't need to pay to travel or for two night's accommodation and, with the help of our sponsors, we've managed to price the whole package including the sessions, entertainment, and food and drink, as reasonably as possible.

You can join in the great activities we have organised such as sailing on a racing yacht or cruising on a launch, playing golf and competing in a bubble soccer competition. You will have a great night on Saturday with live music and a theme for the evening of "Hello Sailor".

So register today and get the early bird rate. Go to www.d9920conference2017.com to register and for more information. Please note that if you are registering your partner as well, you will need to complete a separate registration for them.

Why go to the Conference?

If you haven't been to a Rotary District Conference before, you might be thinking why should I go to the District 9920 Conference 2017. Will it be worth my time?

The answer is "Absolutely!"

In the words of two first time district conference delegates from 2016...

"I would definitely recommend that people go to a District Conference. It reminded me why I joined Rotary in the first place. I was really inspired by many of the speakers. I also had a great time socialising with other delegates. It was absolutely worth giving up my weekend for and making the effort to go and I'm looking forward to the next one"

"I never knew that Rotary did so much. It opened my eyes to see the scope of Rotary. Hearing from so many inspiring people lifted my enthusiasm to do more."

As the 2017 conference is in Auckland, it's even easier and cheaper for most to attend.
