Foundation Newsletter

Message from our District Foundation Chair PDG Jennie Herring

The 2019/20 Foundation year has got off to a great start.

Firstly I would like to thank PDG Willard Martin for his three years of service to this role as I now take over this amazing committee. I have some big shoes to fill with some fast track learning to get up to speed with what District 9920 Clubs are involved in – **Doing Good in the World.**

The year started with a combined Foundation/International Committee Seminar. This involved the International Chair Jeanette Drysdale, presentations on existing and potential Global Grant projects being managed from Clubs within our District, and also explaining the world of the Foundation Committee with an update on the End Polio Campaign (refer to the Polio page for this update). This Seminar was well attended with approximately 50 participants and some positive feedback has been received about the format of the seminar programme.

Since that night I have booked in three clubs to take the Foundation message out to the members of their clubs. Should you wish to have a presentation at your club, I am only too happy to come and speak on “Why the Rotary Foundation should be your Charity of Choice”.

District Grant applications have poured in as have applications for District Designated Funds (DDF) for Global Grant projects so much so that we have almost used all our allocation for 2019/20. This reiterates why it is so important for clubs to contribute to Annual Giving to the Rotary Foundation every year. The more we give, the more that is returned to our District in three years as this is the funding that makes up District Grants and District Designated Funds to enable the clubs to do the small community projects and the larger Global Grant projects.

October 24th is World Polio Day and PDG Ron Seeto is chairing a Task Force for an event being called Polio All Trains – please find all the information included with this newsletter. It would be great to have all clubs joining in this event as it is planned to not only raise funds for Polio but also increase public awareness. It should be a fun day travelling the Auckland Trains from Swanson to Pukekohe on 1 November 2019 from 8am to 6pm.

Remember **November** is **FOUNDATION MONTH**

Supporting our Rotary Foundation

A joint FOUNDATION and INTERNATIONAL SERVICE Information evening was held on September 4th, at the KOLMAR Centre, Papatoetoe.

About 50 people attended from 18 Rotary Clubs to take up the opportunity to hear about some existing International Service projects funded by Global Grants and some proposed projects, and to learn how the contributions to our Rotary Foundation have made, or would make these projects possible.

Overviews were presented on Give Every Child a Future (a project to vaccinate children in many of the Pacific Island nations), To Give Life and Hope to My People and Land (project for Tarawa, Kiribati) No Child should Die from a Lack of Oxygen, (Fiji Oxygen project), the proposed Mobile Health Clinic project in Nadi, the Onja project (Madagascar). Additionally we heard about how a Microfinance project is funded and got to meet Connor Lind (see photo below) an Ambassadorial Scholar who recently arrived to study at Auckland University.

The second half of the evening gave an overview of the Rotary Foundation and an update on the goal to rid the World of Polio.

Not only was the evening full of information but also a good opportunity for Rotarians from different Clubs to enjoy a pre-seminar bistro meal and conversation.

How to donate

At the NZ/Australia Rotary Conference held in Christchurch, D9920 has been awarded the NZ trophy for highest combined giving to the Rotary Foundation (with USD 137.81 per capita) for the 2018-2019 Rotary year.

Donations to Rotary Foundation and Polio Plus - New Zealand based 9920 Rotary Clubs

Tax Credit for Donations / Tax receipts

New Zealand based Rotary Clubs can send their donation and contribution for Annual Giving and Polio Plus by internet banking, or cheque direct to the Rotary Foundation Administrator 9920, stating what the amount is for, whether donating from your Club or Charitable Trust. Tax receipts are forwarded in August/September.

Charitable Trusts

Nearly all clubs have a Charitable Trust. Rotarians should donate through their Club's Charitable Trust, who can issue individual Tax Donation receipts. The Club's Charitable Trust then forwards the total amount on to the Rotary Foundation Administrator 9920, and emails an Excel spreadsheet with the Rotarians' name, ID numbers and amounts to Peter Wilcock. The donation will be credited under the Rotarian's name with RI.

Tax Receipts

Once Rotarians receive the Tax Donation receipt they can claim the tax credit of up to 33%. For full details Google "IRD tax credit for donations" Tax receipts are forwarded in April/May

How to pay

Internet banking

Bank Account "Rotary Foundation 9920" 02 0256 0333474 00

Reference box "Club name" or "Rotarian name" Please email pdmwilcock@gmail.com the amount and the allocation i.e. Annual giving or Polio and the Club or Charitable Trust name.

Cheques

Make payable to "Rotary Foundation 9920" and post to:

The Rotary Foundation Administrator 9920 Peter Wilcock 17 Crescent Road, Parnell, Auckland 1052

Note: The donations are transferred to RI Parramatta before the 20th of the month, any donations after that are at the Rotary exchange rate for the next month. Cheques have normally three-day clearance.
