Don’t just land a job, launch a life.

Whether you’re unsure of what comes next or you know exactly where you’re going – EquipMe takes you forward. We’ll help you create a strategy that gives you the inside lane. Designed for your financial success.

EquipMe is a learning platform and expert coaching system recommended for all students aged 16 to 22. Structured to fit into your life, our coaching sessions and learning modules are completely online, so you decide when and where to study. You’ll have 16 weeks to complete the course, all you need is a computer and internet access.

Want to know if EquipMe is right for you?

Call Us 0508 378 4763

Understand your abilities beyond school subjects or university courses. Leverage your talents and play to your strengths to excel!

Talents & Strengths Coach
Understand your abilities beyond school subjects or university courses. Leverage your talents and play to your strengths to excel!

Career & Employability Coach
Our career experts will help you start designing a career pathway that plays to your strengths.

Financial & Wealth Coach
We’ll help you develop your personalised financial plan to limit debt and start building wealth early.

Goals Blueprint Session
This is a 30-minute review with your financial coach to cover any questions and agree your next steps. This is a great opportunity to include your parents in a coaching session :)
Discover Our Syllabus

The EquipMe programme includes nine modules of financial learning combined with three one-on-one coaching sessions and one ‘goals blueprint’ session.

Nine Learning Modules

**M1**
**Me: Talents & Strengths**
We help you identify your talents, turn them into strengths and learn how to use them to create a satisfying career.

**M2**
**Life: Design Your Future**
What does success look like to you, what sort of lifestyle do you want to lead, what will it cost and how will you fund it?

**M3**
**Cash: Money is Fuel**
The basics of growing wealth, including leverage, cashflow management and how to stretch your dollar further.

**M4**
**Debt: Good, Bad & Ugly**
Understand the different types of debt, when it can hinder you and when you can use it to your advantage.

**M5**
**Career: Future-proof It**
Learn how to set yourself apart from the pack, get a job, progress quickly, pivot fast and set up a side hustle.

**M6**
**Success: My Blueprint**
Learn the skills and behaviours required for success: emotional intelligence, calculated risks, failing fast, resilience and grit.

**M7**
**Traps: Snakes & Ladders**
Don’t get caught out with cashflow, tax, student loans and bad debt. Learn to budget, create a buffer and work to a plan.

**M8**
**Navigate: GPS Your Life**
Understand what you can do now. We cover the nitty-gritty of bank accounts, goal setting and your next steps in life.

**M9**
**Strategy: The Long Game**
We start designing a roadmap for your future. What do you want to achieve and how can you build on your current position?
