

With Sincere Thanks

ALASDAIR Maclean

26th April 1934 - 20th August 2020

He was a keen Rotarian & took his duties seriously. We had many a happy social gatherings.

Thank you for your tributes to him in the Keyway.

Because of level 3 it was an intimate family service in our wee St. Andrews chapel, our favourite.

We sent him on his way with a wee dram of his favourite whisky.

Alasdair would have approved.

Sincerely, Rosemary Maclean

Dear Rotarians

Thank You for the lovely flowers & card left at my front door.

Thank you most sincerely for your words of sympathy and comfort.

Your thoughtfulness has been greatly appreciated.

I did appreciate them, also the individual cards from a number of Rotarians & their wives. It helps in the healing process.

Alasdair did not want a fuss, nor an expensive coffin, but requested a paper at the end. He got his 3 wishes.
