

PEDAL FOR THE **PACIFIC**

PRESENTED BY

Christchurch
South

ONE GOOD CAUSE. ONE CYCLE TRAIL.

ONE DAY OF FUN!

20th February 2021

Why:

Over 6% of children in parts of the Pacific die before they celebrate their 5th birthday, from diseases preventable by vaccines. Help us to help our Pacific neighbours

We want to help Rotary International & Unicef to GIVE EVERY CHILD A FUTURE and provide 100,000 children across the Pacific life-saving vaccines

It costs \$45 to vaccinate a child in the Pacific Islands – let's see how many we can help!

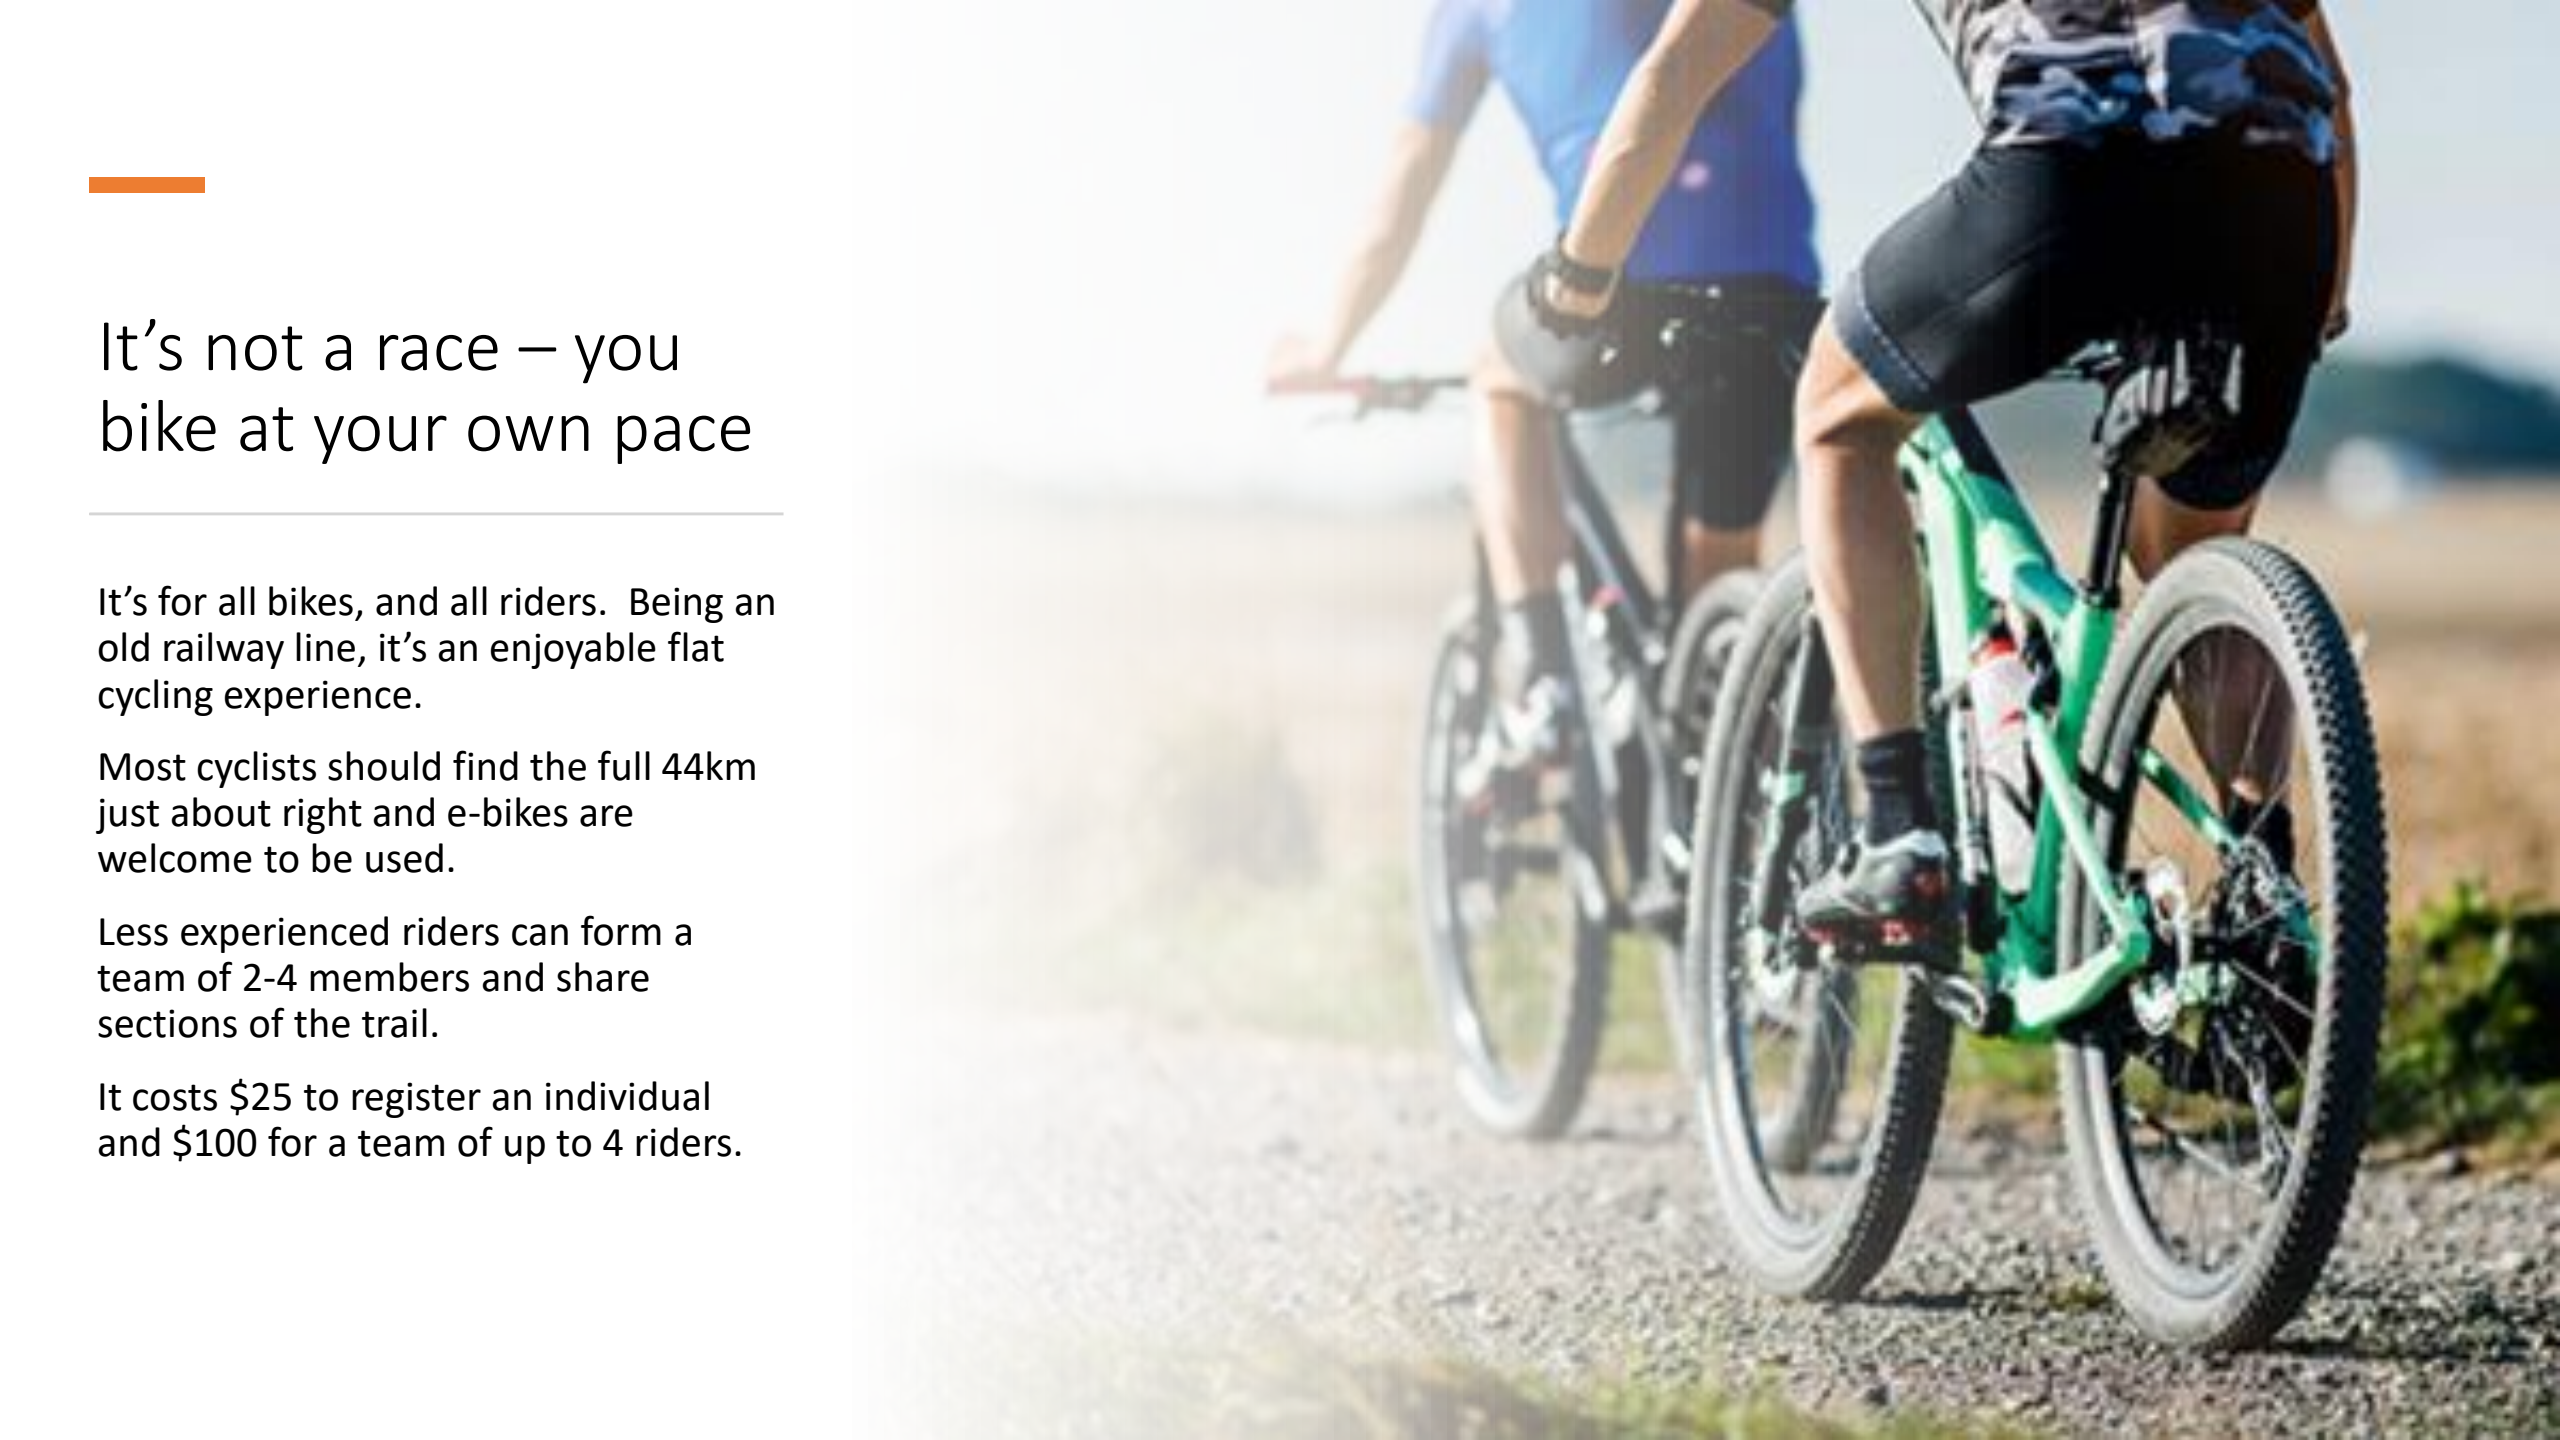

The Ride

Pedal for the Pacific is a segmented, sponsored cycling event for individuals and teams, starting at Prebbleton and finishing at Little River.

It follows the Christchurch to Little River Trail, which was once a 19th century railway line. Today it's a cycleway/walkway that winds through landscape which has seen a thousand years of human history as it connects the townships of Lincoln, Motukarara and Birdlings Flat.

It's not a race – you bike at your own pace

It's for all bikes, and all riders. Being an old railway line, it's an enjoyable flat cycling experience.

Most cyclists should find the full 44km just about right and e-bikes are welcome to be used.

Less experienced riders can form a team of 2-4 members and share sections of the trail.

It costs \$25 to register an individual and \$100 for a team of up to 4 riders.

A close-up photograph of a woman with dark hair and skin, wearing a red top, kissing a baby on the forehead. The baby is lying in a hospital bed, wearing a white blanket and has a white medical sensor on their forehead with a thin white wire extending from it. The background is softly blurred, showing a hospital room setting.

WILL YOU BE A CATALYST FOR
CHANGE IN HEALTH OF
CHILDREN IN THE PACIFIC?

We can't do this without your support, so please, encourage your friends and family to join you on the ride, and ask your neighbours to dig deep and give generously.

Lets celebrate 100 years of
Rotary and GIVE EVERY
CHILD A FUTURE
