

Rotary Script to sell the Rotary Christmas box to potential customers

Good morning my name is [Your Name] calling on behalf of the [Rotary Club Name].

Is this a bad time to call?

We are currently offering a beautiful Christmas presentation box as a fundraiser to support local charities. I wanted to share some details with you and see if you would be interested in purchasing one to support a good cause.

The Rotary Christmas presentation box features a selection of Barkers items complimented by an outstanding bottle of Pinot Noir. This Pinot Noir comes from the same vineyard that won the Pinot Noir for 2024.

This is a perfect gift box for businesses to give to their special customers or for gifting to family or friends this holiday season.

Not only will you be spreading holiday cheer with this gift but you will also be supporting the community through your purchase. All profit from the sale of these boxes goes directly to local charities and causes supported by the Rotary Club. Your contribution will make a real difference during this special time of year.

The Rotary Christmas presentation box is only available for a limited time, so I encourage you to secure yours today. The cost of each box is \$135 plus shipping.

Would you be interested in purchasing a box to support our charitable efforts this holiday season? If you need time to consult other members of your club we can come back to you next week. What would the best time to call you be?

Thank you for considering this opportunity to make a difference in our community.
