NEXT SPEAKER

Laurie Bond intends to talk to us about a powerful offshoot of the Zulu nation, the Matabele who took up residence in the south west corner of what is now known as Zimbabwe, in the early 19 century.

He will briefly track how a regiment of Tshaka Zulu's army moved to their lands and dominated the territory for close on 100 years.

Laurie intends to recount the momentous meeting between the King, Mzilikazi and Scottish missionary Robert Moffat, and the tremendous influence Moffat had on the wild primitive king. He will lead us through the arrival in the promised land, the usurping of the throne and what happened next.

Thankyou Laurie for stepping in at short notice
