

AWARDING of the COMMITTEE CUP 2021

❖ PRESIDENT JAN PALMER PRESENTATION

BACKGROUND

The “**Committee Cup**” was presented to our Rotary Club of Eastern Hutt by Dave Wilson as outgoing Club President in 1995 and was to be awarded annually at Club Changeover after review of the last year’s activities by four Past Presidents & the Club President, to the Service Committee they believed had attained “**the Highest Tangible Achievement**” during the year.

What an interesting night it was for those of us who were present at our Club Forum June 14, 2021 to hear our Club Directors Committee Reports for this last Rotary Year.

Even though some projects needed to be cancelled or postponed it was very pleasing to note that our Rotary Club members did make a noticeable difference in supporting the needs of others both here in our local community & overseas as well as enjoying fun, friendship and fellowship while making that difference.

Let’s congratulate all our directors & their respective committees for their effective efforts this year in the usual way.

Our decision this year was not an easy one as all our committees have worked well this year.

One committee however stood out from the rest mainly because of their activeness & enthusiasm to work together & make it attractive for other members to join them in some of their projects.

This hardworking committee’s project’s during the year included the Hutt riverbank clean-up & tree planting as well as raising funds for the installation of the Dave Comparini memorial seat. Providing & installing compost bins at the Te Omanga Hospice & finally the extremely successful wine tasting evening to raise funds for the family rooms at the soon to be opening Wellington Children’s Hospital.

Congratulations & well done to our Environment & Amenities Committee.

Would Director Richard Perry please come forward to receive the Committee Cup.
