

# AWARDING of the COMMITTEE CUP 2021

## ❖ PRESIDENT JAN PALMER PRESENTATION

### The **“New Innovation Cup**

This cup was donated to Eastern Hutt Rotary by our Immediate Past President Robert Sinclair last year and is to be awarded annually at Club Changeover after review of the last year’s activities. The Innovation Cup is awarded to the committee who introduced a new initiative to the club’s fundraising events during the year.

The Committee who provided this new fundraising initiative was the Environment & Amenities Committee when they ran the very successful wine tasting evening under the stewardship of Richard Perry, Sue Darling and Wim Julicher. This event raised around \$5000 towards the whanau rooms at the soon to be opened Wellington Children’s Hospital.

Congratulations & well done to the Environment & Amenities Committee.

Would Richard Perry, Sue Darling and Wim Julicher please come forward to receive the Innovation Cup.
