Give your youth workers an opportunity to develop their leadership potential!

RYLA is a 5 day residential high energy programme to develop lower North Island young leaders between the ages of 18 and 24.

Applications are now open, and we are looking for young people with leadership potential between 18 and 24 yrs to reap the benefits of this amazing leadership programme.

Our many Rotary Clubs are working hard to fundraise to fully sponsor youth into this programme, but if you would also like to help with sponsorship to cover the course costs of \$1,100 per participant, please do get in touch!

**24-28 January 2024
Forest Lakes, Ōtaki**

The RYLA programme recognises, encourages and educates current and future leaders by offering them this intensive leadership experience.

It brings together young people as a team to harness creativity, diversity, inspiration, energy and leadership to cultivate personal growth and empower long-lasting meaningful change.

RYLA is dynamic and engaging, with a suite of activities provided by expert presenters and an experienced and professional facilitation team that include previous RYLA participants
