

## Club Service Committee Report for our AGM on 27<sup>th</sup> November

The Principal focus of our committee is to set up the Avalon Pavilion for our weekly meetings and is executed by a dedicated team from Club Services. This does not just happen each week, there is a dedicated team that arrive each week to set up the hall.

Our committee is also responsible for the organisation of the special meeting, like our Christmas party and change over. Ron Hunter takes a lead role in these special nights and they always run like clock work. Thank you Ron.

It was decided not to hold the old folks Christmas this year as we felt the wrong people coming and we are now helping out with the Vera Lynn concert on the 19<sup>th</sup> of December.

Ron has put a key register in place and it will now be a lot easier to know who has keys.

We have replaced nearly all the rubber bungs on the bottom of the tables and chairs.

Those of you who have the old engraved name badges will soon be getting new magnetic ones. They are getting made now and we should have them by Christmas or early in the New Year.

We will be helping to organise a club picnic on the 15<sup>th</sup> January to start the year off.

Just a reminder to bring food items for our Christmas box for the food bank as this will help people less fortunate to enjoy Christmas.

Looking ahead we are having a bowling night with the Stokes Valley Rotary on the 30<sup>th</sup> of January.

Finally I would like to inform you all about a project we are working on about our past Presidents. I believe it is important to remember our past Presidents as we have had some real great ones. They have helped make this club what it is today. It is the form of a slide show and will roll over before our meeting starts and while we eat our meal. Dave is putting the slides together and we have a sample one to put up on the screen now. Thanks Dave.

I would also like to thank my committee, Ron Hunter, Tony Cornelius, Dave Wilson, Dave Morris, Gary Stratton and Richard Perry.

Pat Heffernan  
Director of Club Services.
