RI Integration

Keep your club records at RI up-to-date without duplicate data entry. The RI Integration feature syncs member data, officer changes and club information automatically.

The Compare and Sync feature lets you compare your member information as it appears on Rotary International's Member Access, giving you the option to push selected data from ClubRunner to RI or pull your information from RI to ClubRunner.

Friends

Adding friends to your ClubRunner site is a great way to **attract new members**. Friends are non-members that can receive your eBulletins and event invitations. You can also add visitors, speakers, family members, co-workers and more!

Each member has the ability to add friends

This is a great way to keep prospective members in the loop!

Email Message Centre

ClubRunner **simplifies** the way club members **communicate** via email—whether it be within their club, to prospective members, club directors or special groups and committees.

Club Communication

To modify and resend a message to the same recipients, click the Resend option. To create a duplicate of the email message only, click the Copy Email option. Note that the Resend option will send to the exact same people regardless of any executive assignment changes

Customize emails with personalized greetings and key information by inserting mail merge fields.

Distribution lists by member type are automatically generated. You can also create custom lists for club executives, directors, committees, etc.

e-Bulletin

The e-Bulletin is a great way to boost public relations, club image and membership growth and retention.

Create a professional email newsletter quickly by incorporating contents such as stories, news, speakers and events from the website.

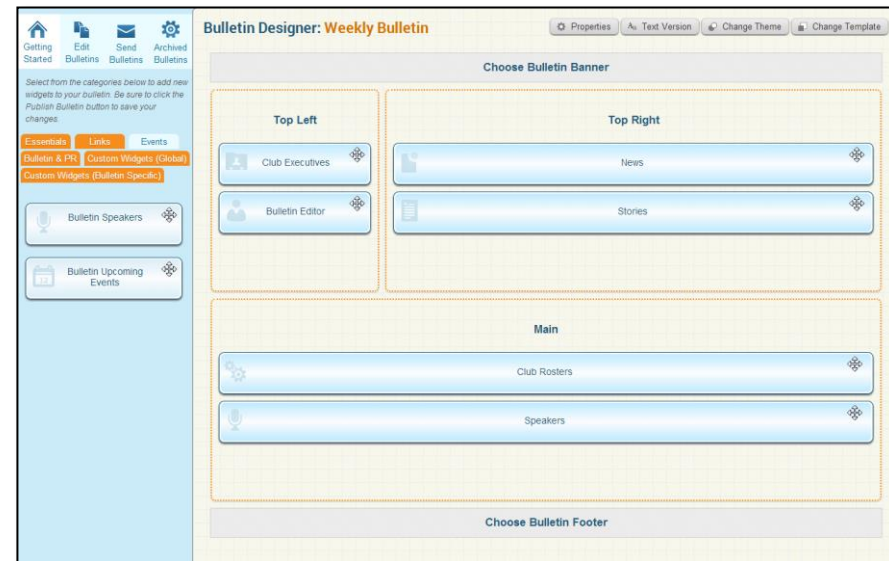

Easily personalize the look of your bulletin with custom banners, footers, themes and layouts.

The screenshot shows the Lulu Islander e-bulletin website. The header features the Rotary logo, the text "Peace Through Service" with "Sakuji Tanaka Rotary International President 2012-13", the title "Lulu Islander", and the subtitle "THE ROTARY CLUB OF RICHMOND, B.C. CANADA". The date "Tue Jun 11, 2013" and a "Home" link are in the top right. The main content area includes a "Come and get to Know Us" banner for "Sun June 23" with a photo of food. Below this is a "Reminders" section for "June 23, Summer BBQ" with a note to bring spouses and guests. The left sidebar contains sections for "Speakers" (listing dates and topics like "No Speaker Fellowship" and "New President Induction"), "Events" (listing "2013 Lisbon Convention" and "Summer Barbecue Residence"), and "Website Sponsors" (featuring a "Give the world hope" logo). A "Looking for Guest Speaker" section is also present, encouraging members to share potential speakers.

e-Bulletin Content

Editors can focus on the content of the bulletin and not have to worry about the layout or technical issues. Integrating stories, events, announcements and speakers is as simple as selecting a checkbox.

The e-Bulletin includes a personalized Commitments section at the bottom of each member's email, which contains reminders for all event registrations, volunteer sign-ups, and new member orientation tasks.

e-Bulletin

Archiving

Create separate groups and editions of your e-Bulletin, each tailored with their own design and content for your members, prospective members, friends of the club and other contacts.

Quickly and easily build, publish and email your e-Bulletin, which automatically gets archived and linked to your homepage.

Assign groups to manage your contacts; separate by friends, prospective members, bulletin subscribers, sponsors and more.

Segment and create different distribution lists to send customized emails and event invitations.

Import contacts in bulk & even export contacts to excel!

Event Planner

Organizing and promoting your club's events has never been easier. A listing of upcoming events automatically appears in your e-Bulletin and on your website, which links back to a detailed event page.

Club members and non-members can register or decline for events with a simple click, no password required. Members can register their guests, include comments and see a reminder of their events in their e-Bulletin.

Event chairs can print up to date attendee lists, send emails and reminders and even print name tags! Even create online sign-up sheets to easily allow members and non-members to volunteer for tasks!

Event Planner

Print Name Tags

Name tags are very **time-consuming** for events with a **large** number of registrations. ClubRunner takes the pain out of printing name tags by doing it for you! Create name tags for registered attendees and guests.

Database Integration with RI

ClubRunner is the first vendor to have fully integrated its database with RI and is the leader in terms of the number of fields integrated.

The RI Integration feature syncs:

- Member Information
- Member Terminations
- Club Officers and Executive Information
- Club Information

With the RI Integration feature, you will eliminate countless hours of duplicate data entry, reduce instances of human error, eliminate the need to manually process and send semi-annual reports and instantly update member information at RI's end.

Photo Albums

Showcase your events and the latest happenings in your club to the community and world.

Any member with authorized access can post pictures to your website without the necessary technical and design skills.

ClubRunner handles all the technical aspects of image compression and resizing and publishes your albums in a professional online gallery, complete with captions and a slideshow option.

Custom Reports & Directories

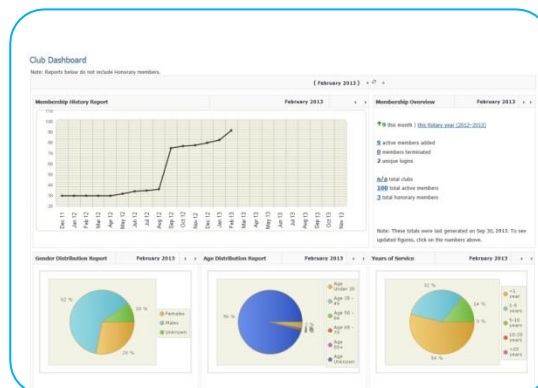

- Reports available in ClubRunner can be exported in either PDF or Excel format.
- Complete with charts and graphs, ClubRunner allows you to create numerous reports to help you keep track of the most important information.
- Choose from the various built-in reports or build our own by choosing the format, layout and data fields.

Custom Reports & Directories

Reports

Built-in reports include:

- Birthday and Anniversaries
- Years of Service
- Rule of 85
- Age Distribution
- Gender Distribution
- Login Activities
- Organization Charts
- Committees
- e-Directory Report Builder
- Club/District Dashboard
- Member Data
- RI Integration Sync

In the next screen you will be able to choose your ticket options, including purchasing a booklet of 10, sponsorship opportunities, and other available options."

Mobile App

Your key to connect to your club on the go!

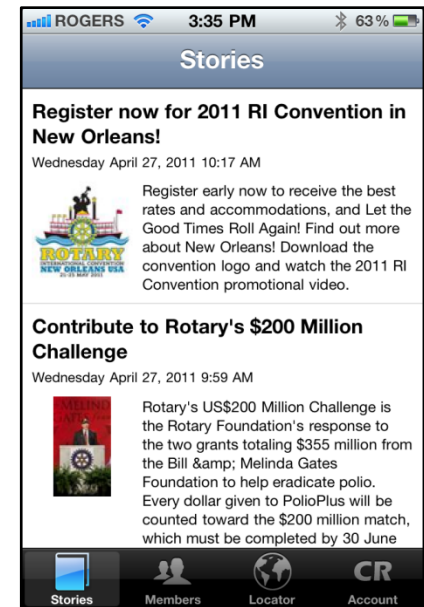

Password protected, just like your website, the ClubRunner Mobile App consists of 3 main modules:

- Member Directory
- Latest Stories Feed
- Rotary Club Locator

Mobile App

Overview

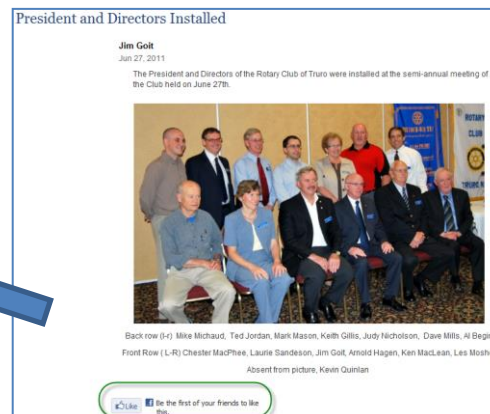

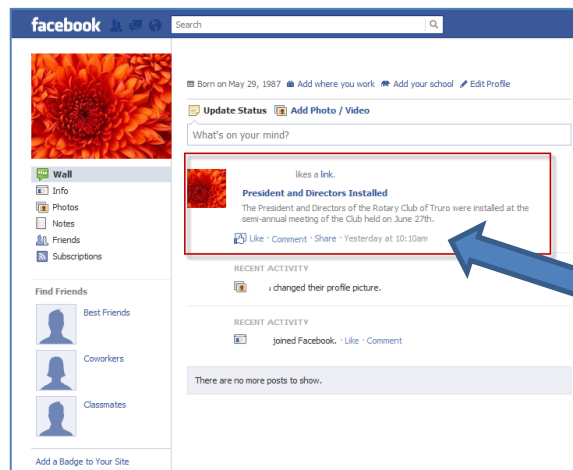

- Member Directory
 - View the most up to date member directory, upon login. Browse through member profiles, make a call to any of their phone numbers, e-mail them directly or add them to your contacts list.
- View Posts on Your Website
 - View the latest feed of home page stories that are on your site directly on your phone.
- Rotary Club Locator
 - Instantly displays a map showing you the closest clubs near you. By clicking on the drop pin, you get access to more information including their meeting day, time, venue and directions from your current location to meeting venue.

Social Media Integration

Use the widget selector to simply drag and drop social media plug-ins such as Facebook to your homepage.

Add share icons throughout your site, making it one click away from being promoted to the world! Additionally, add any RSS feed to instantly display the latest Rotary news headlines to your site visitors!

Sponsorship Feature

Showcase your club's **sponsors** while earning fundraising revenue from your website!

ClubRunner allows your club to sell ad links for your website and upload them directly. This is a **great opportunity** to raise funds from your website.

Ads can be text or image based and can be added to your homepage, subsequent secondary pages and your e-Bulletin.

You get total control! Set up your own pricing and policies and keep 100% of the revenue!

What About Security?

You can rest assured that your data is secure and private as ClubRunner is equipped with:

- Unique login names and passwords for each member
- Multi-level access rights for members
- Firewall and anti-virus protection
- Protection features for private information that is not meant for the public
- Backups of your website and membership information automatically made every four hours
- Features that help maintain the privacy of email addresses
- Public Messaging tools that allow for anonymous contacts

"Just wanted to let you know how much our club likes ClubRunner. It has revolutionized the way that we attract prospects and communicate with current members. Since we launched the website, every weekly speaker and every guest has mentioned that our website is really good. Thanks to ClubRunner!"

Scott L. (Boston, MA)

"ClubRunner is nothing short of phenomenal!"
Robert N. (Islip, NY)

"ClubRunner is fantastic... we struggled for years to get "on-line" and what you have engineered makes it so easy for us to communicate with members as well as with our local community.

Well done!"

Bob A. (North Delta, BC)

"ClubRunner is making my life so much easier as Club President."
George R. (Peterborough, ON)

"ClubRunner gets the information and tools right to our member's fingertips. Communication is easier than before. It is a big time saver – flexible and easy to use yet powerful."
Justin R. (St. Martin)
