Genealogical Chart Rotary in the Hutt Valley

The Rotary Club of Eastern Hutt (originally Naenae) was admitted to Rotary International on the 29th of June 1962. The charter presentation meeting took place at the Taita Community Hall on the 26th of July 1962. At that time our Rotary Club was the 24th chartered Rotary Club in the district. At present there are 63 chartered rotary clubs in our district 9940. During the past 40 years the Eastern Hutt Rotary Club has introduced two additional Rotary Clubs into the Hutt Valley area.

The Rotary Club of Stokes Valley received their official charter on the 11th June 1974 at an evening held at the Lower Hutt Town Hall. The Rotary Club of Hutt Valley received their official charter on the 6th May 1993 at the fiftieth anniversary of the founding of the Rotary Club of Hutt.
