Ray Wallace, Mayor of Lower Hutt, Hutt Valley Chamber of Commerce, Ambassador for Mexico Gerardo Traslosheros, and Rotary New Zealand World Community Service are proud to host a special charity dinner and show to raise fund for disaster relief in Mexico.

International artist, Rotarian Ambassador and Hutt resident *Caii-Michelle* will headline a top class performance supported by other Special Guest Artists.

**Event:** Four-course dinner and show with Champagne, Wines, Beer and Margaritas!

**Date:** May 24<sup>th</sup> - 2018

**Venue:** Avalon Studios, 41 Percy Cameron St, Avalon, Lower Hutt

Our Target is \$50,000. This will be sent via RNZWCS to the Rotary Club of Metepec for use in building a new Elementary school for the children in Joquicingo and helping with their needs.

The Rotary Club of Metepec, The Rotary Club of Toluca South West, The Rotary Club of the Valley of Toluca, The Valley of Toluca Chamber of Commerce, with Frank Devlyn who heads the United Rotary Fund of Mexico are working together to make sure the money we raise builds the Elementary School for the Children of Joquicingo.

For hours specialist civilian and military rescuers in hard hats with heat-seeking equipment, ropes and sniffer dogs battled their way to get beneath the wreckage of Mexico's Enrique Rébsamen School. When upper stories pancaked on to art workshops and administrative offices below classes of 6 & 7-year-old children were crushed. In the end 21 children were found dead along with four teachers. Across Mexico the death toll was 369.

**We need your help to make this event a success and to brighten the lives of the Mexican children affected by this tragedy just before Christmas 2017. We can supply contact details for RNZWCS should you have any questions about how the money will be transferred to Mexico and the Rotary Club of Metepec.**
