EASTERN HUTT ROTARY CLUB PRESIDENT 1995-1996

A VERY HAPPY PRESIDENT JOE

EASTERN HUTT ROTARY CLUB

PRESIDENT JOE TOMLINSON 1995-1996

MAKING A DIFFERENCE

The Club entered a running team in the 'Ultimate All Nighter Fund Raising Relay Race' organised by the combined Wellington and Hutt Valley Rotary Clubs, to support the Life Flight Trust, and our Club raised \$7,950 to support this worthwhile project.

Club members supported a tree-planting programme on Mana Island arranged by the Department of Conservation. During the course of the day the team planted in excess of 500 trees.

The Club members supported the National Child Health Research Foundation by buying a unique set of phone cards, which raised in excess of \$4,000 for their organisation.

CHILD HEALTH RESEARCH FOUNDATION (CURE KIDS)

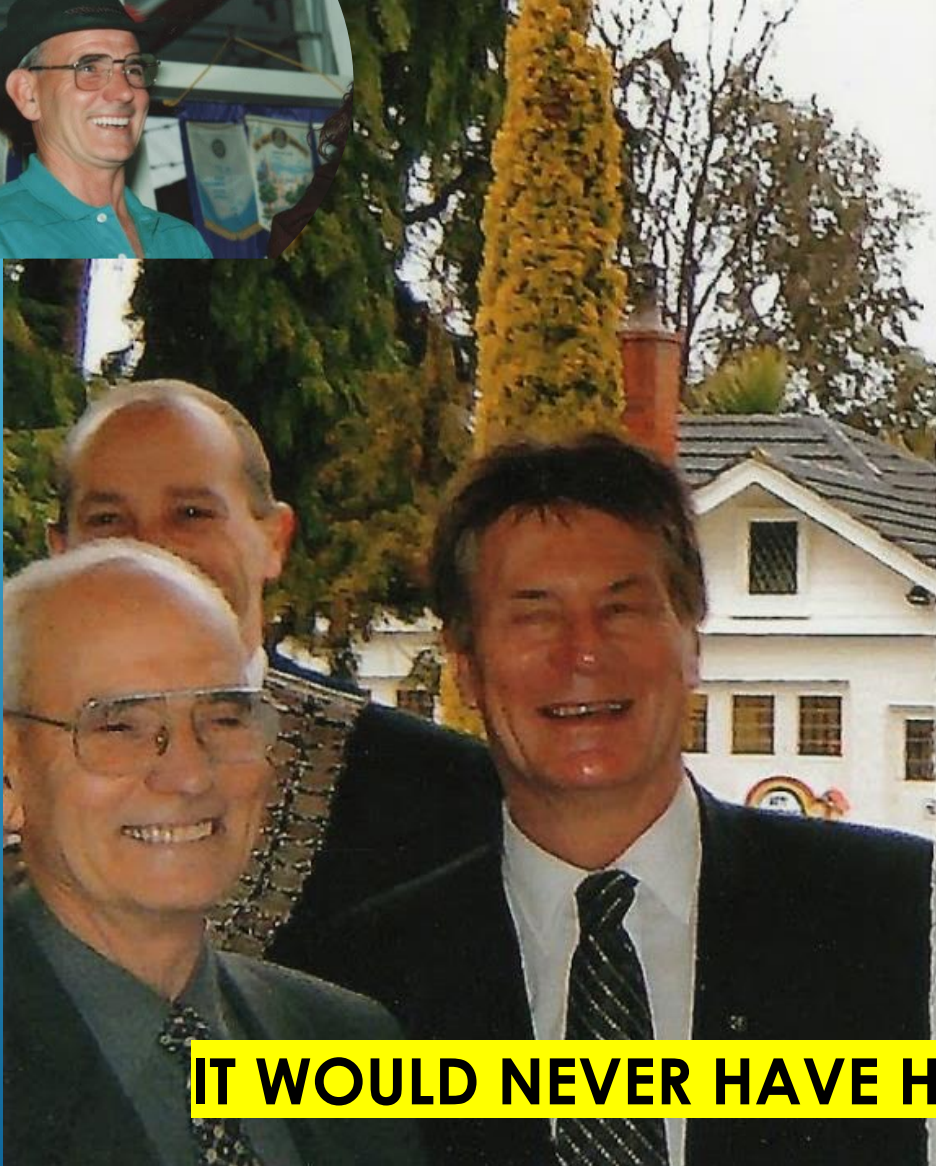

The Child Health Research Foundation was established by Rotary in 1971 to commemorate the 50th Anniversary of Rotary in New Zealand and it wishes to build on the strong relationship it enjoys with its founder, Rotary, so that together we can build a better future for our young ones.
