MICHAEL JAMESON THE EPITOME OF A ROTARIAN

TO BE A ROTARIAN

It takes a unique quality to set aside one's needs
and join a special club to ensure dreams succeed
It takes determination that comes from deep within
It takes one of a kind- to be a Rotarian

It takes one who is willing to heed a call for help
It takes belief to act in "SERVICE ABOVE SELF"
It takes a heart of gold to say "Yes, count me in"
It takes rock-solid character- to be a Rotarian

It takes time and patience and staying to the end
and a stranger's cry for help for you to be their friend
It takes dealing with rejection and leading with your chin
It takes real humility- to be a Rotarian

It takes far reaching vision to see when people fall
and a hand outstretched to help them again stand proud and tall
It takes a shoulder to the wheel and words of "Let's begin!"
It takes a voice of hope- to be a Rotarian

It takes a kind of magic to achieve the things they've done
Teamwork-Trust-Tenacity and of course a lotta fun!
It takes all of the above but when all is said and done
It just takes one who cares- TO BE A ROTARIAN
