

**Breast Cancer
Foundation NZ**

Tuesday, 3 April 2018

Dear Friends,

The **Pink Ribbon Street Appeal 2018** needs volunteers. Can your group please help?

Thank you so much if you have supported the Pink Ribbon Street Appeal in the past by volunteering your time to collect for us.

Breast Cancer Foundation NZ's mission is to push for new frontiers in early detection, treatment and support to eventually achieve zero deaths from breast cancer. The challenge is still enormous and we would be grateful for your help to enable our work – through life saving early detection campaigns, research into better treatments and support for New Zealander's with the disease. It's only through the involvement of amazing community groups like yours that we are able to support and educate others and we would be honoured if you would support Breast Cancer Foundation NZ again this year.

Can you help us on either **Friday 12th or Saturday 13th October 2018** when we take to the streets to raise awareness and funds to fight breast cancer? The success of our appeal couldn't happen without your help.

Whether your members can help us by volunteering at a site for one of these days for a pre-arranged time frame, if some members would like to give a couple of hours to volunteer, or whether an individual member can take on a leadership role as an area coordinator any support would be greatly appreciated.

Please share this need with your members; we need your support. We are more than happy to allocate you to a collection site of your preference if available.

To find out more or to volunteer your group please call us on **0508 105 105** or email us at **pinkribbon@bcf.org.nz**

Thank you so much, we look forward to hearing from you.

Kind regards,

A handwritten signature in blue ink, appearing to read 'Erika Rozecka-Lewis'.

Erika Rozecka-Lewis
Pink Ribbon Street Appeal Manager
