PRESIDENT'S PIECE

Well we certainly had a variety of weather this week – good time to catch up on stuff inside!!

Last Tuesday we had the pleasure of welcoming our District Governor Wayne Gordon and our District Governor Elect Jocelyn Hogg. Wayne gave us a very interesting view of the focus of Rotary during this Rotary year and focussed on the challenges that we, like other service organizations, face. He encouraged us to look 'outside the box' (my words) and find out what our community want and explore how we can attract people from within Tawa to support our good works. Perhaps a different Club Model? He touched on the Regionalisation Planning that our Tony Heyward is heavily involved in. I have been following this closely and will make sure that you get up to date

information as it comes to hand. He was very complimentary on the range of projects that we have undertaken which are highlighted in our 50th Anniversary booklet. Prior to his presentation we had a quick review of our Peace Labyrinth project and Alastair Binns a Year 11 student from Tawa College who provided three design options – the meeting chose the Bucket Tree version.

At our next club meeting on 17th October we will be celebrating Pride in Work in Tawa and will be awarding certificates to 19 people from within the Tawa Community.

Nominations have been received from:

Tawa Scouts

Tawa Rugby Football Club

Kd One Skincare and Cosmetics

Easyswim Swim School

Tawa Dental Care

Lead Management Limited

Nada Bakery

Longview Home

Coffee Joint

Linden School

Tawa Community Education Programme

The Fitness Portal

New World Tawa

Tawa College

Tawa Community Patrol

Tawa Menzshed

Last year we had just on 100 at the awards dinner. A great opportunity to show Tawa Rotary to those coming and also to network. I encourage everyone to please spread yourself around the tables to network and build our profile!! Let's make this a night to celebrate those who have been nominated, and introduce our visitors to what is best about Rotary and what we do?

By the way we have reprinted a further 200 copies of our Anniversary booklet. If you would like one to give to someone who may be interested in Rotary please let me know.

See you next Tuesday at Sprig & Fern for our informal dinner – good food, drink and good company!

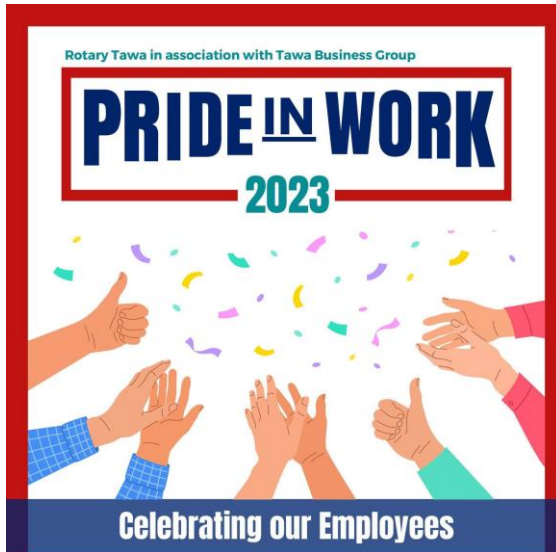

Pat

NEXT MEETINGS

10 October – A social dinner at The Sprig & Fern, Tawa 6pm

Partners Welcome

Please provide confirmation of attendance (with number) or apology strictly by Monday 12pm so we can book a table. Usual apology email address.

17 October – Our annual Pride in Work Awards. So far I have 15 nominations so we will have a big crowd attending the awards evening. This is our chance to show the community what Tawa Rotary is all about.

24 October – Hon Peter Dunne will give us his perspective on the election outcome and what we can expect from the new Government. Again – bring partners, neighbours and anyone interested in the new Government. Peter is a well known identity and his views are sought by the media. Should be really interesting

Gillies McIndoe

RESEARCH INSTITUTE

Innovating cancer treatment

31 October – Dr Swee Tan, founder of Gillies McIndoe talking about their research on cancer treatment. I have followed Dr Tan over the years and know we will have a fascinating night. They have apparently patented and are testing some treatment of cancer types. Find out more at the meeting.

Please do support the Club by coming along to hear our great speakers and do bring along neighbours, friends and partners.
