PRESIDENTS PIECE

Two cries for help!

With several of our members moving and downsizing the club is left with a fairly sizable number of items that need to be stored. Many of you have been kind enough to provide storage for some time (thank you) but this is now becoming quite an issue to manage.

If any of our members or their relatives have space in a garage or basement, then please let me know as soon as possible. If there is nowhere voluntarily provided, then we will consider paying for a storage facility, but it would be better if we don't have to incur this cost for the club.

And talking of costs – while we are hoping to get an influx of new members, after some discussion amongst the Club Board Members, it seems that we may need to resort to paying for some advertising in the community. This has been part of a strategy has worked very well for a club in Geraldine where they have gone from having a closing proposal on the table to a healthy number of members from all very diverse age and cultural groups. To do this they employed a person well versed in marketing. To begin we would like to put some billboards up around Tawa and as Laura mentioned recently, we are looking for someone to provide the artwork for these. Please let me or Laura know if there is someone you know who could assist.
