NEXT MEETING

Please come along to the meeting on Tuesday 19 March – we have a great meeting starting with hearing about Wellington-based Rotarians action on environmental and carbon zero initiatives – that has been recognised as a world first. This will be followed by induction of a new member and our Special General Meeting. Your participation is key – to have a say on what’s coming up for Tawa Rotary.

PRESIDENT’S PIECE

I regret to advise that Russell Smith has decided that it is time for him to resign from Rotary after 49 years with Tawa Rotary. He was hoping to reach his 50 years with Tawa Rotary yet it’s become more difficult with increasing health challenges. Russell has recently returned home this week after being in hospital and is recovering with lots of support from family and friends. He noted that he has enjoyed his time with Tawa Rotary where “I have made many friends and have many fond memories”. When I spoke with Russell, he asked for Tawa Rotarians to call him first if they want to visit. A lot is happening, and he appreciates that we care. When I asked, he’s open to being invited to a future Rotary meeting subject to timing and what’s happening for him.

LAST WEEK

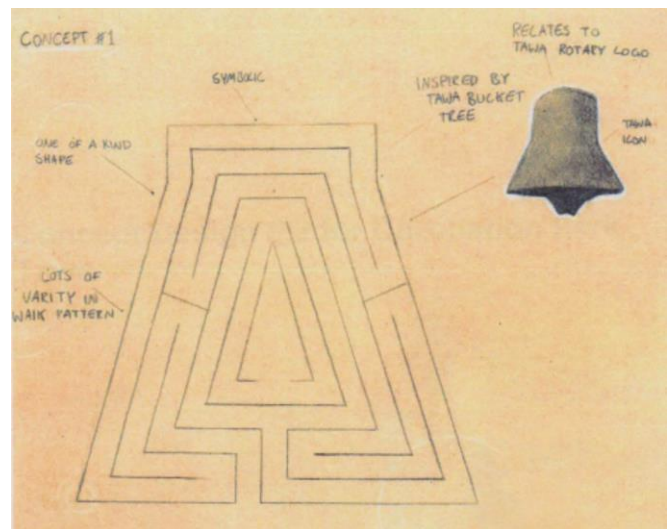

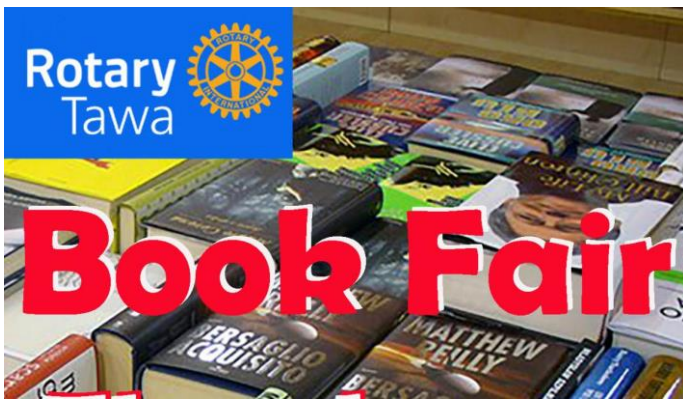

Last week, we enjoyed a tasty dinner at Yum Yum in Tawa. It was a good opportunity for a social get together with family and friends while also supporting our local restaurants.

Our host who was front of house and also cooking our meals did a great job. She was very humble and preferred to be the photographer rather than being included in the photo.
