NEXT MEETING

: Learn how to save a life - Heartbeat CPR

On Tues 27 Feb, Tawa Rotary is hosting community training for Heartbeat CPR.

Are you up to date on using CPR, particularly if you're first on the scene?

Nick Swan is leading our training on behalf of Wellington Free Ambulance - he's our local Heartbeat trainer and Leader for Tawa Community Patrol.

After our 6pm dinner, the heartbeat session will run for 90 mins until 8.30pm.

It is NOT a general first aid course. Nick will delve solely into CPR and AED/defibrillator use, with time for discussion, questions, and hands-on experience.

All you need to bring is a great attitude, and you will all leave feeling more confident and comfortable with what to do if someone suffers a cardiac arrest.

Bring along a friend or family member to this great learning opportunity. Responses due Sunday 25 February.

PRESIDENT'S PIECE

We had a very enjoyable evening at Plimmerton Croquet Club. They were very hospitable and we all enjoyed giving the sport a try. Russell Smith got the highest number of hoops with others also having a successful round.

The evening concluded with delicious pizzas and birthday cake.

No meeting this Tuesday due to our Concert in the Park event today.

The next meeting, has changed to be a Heartbeat Training session with Wellington Free Ambulance. This will be advertised to the Tawa community as a service to others to learn this important skill.

Please mark your diaries for April 12-14 to attend the District Conference in Wanganui. It would be wonderful if we can have a large turnout from our club this year.

Have a great week.
