## PRESIDENT'S PIECE

This coming Tuesday's meeting will be quite special not only because we will have the Olympian with the highest gold Olympic medal winner for a male athlete but also potentially a large number of visitors coming to hear and meet Ian. Here is our chance to sell Rotary to potential members and supporters. I am having printed a postcard which I plan to hand to every visitor as an invitation to talk to us about Rotary. Please join me in welcoming our visitors and making them feel part of our Rotary family.

Carolyn Crutch who is driving our membership committee has suggested that we have an information evening at Sprig & Fern for people interested in finding out more about Tawa Rotary. A brilliant idea. To do that we need to have a list of names that we can invite. This is where all of us can play a role. Please give thought to those you think would be interested in finding out more – family, friends, work colleagues, neighbours and others. If you could email Carolyn or me with the names, we will get our planning started.

This week is an auspicious week for Tawa Rotary. After some four years of planning our contractor Mike Barker will start preparing the site at Coronation Park for the construction of Tawa Rotary's Peace Labyrinth. Mike estimates that he will complete the job in 2 weeks all going well. The completion date ties in with the visit by District Governor Jocelyn Hogg who will be with us on 13 August. I am really looking forward to inviting her to walk around our Labyrinth along with the student from Tawa College, Alistair Binns who designed the Labyrinth shaped in the form of the Tawa Bucket tree for us. Please put the date in your diary.
