PRESIDENTS PIECE

Some of our club members combined with some of Johnsonville Rotary and enjoyed the visit to the Life Flight Base on this morning. It truly is such a great organisation and I'm really proud to be associated with the Rotary District project to assist with the fitout for their new aircraft. Especially as we are targeting their youngest and smallest passengers being transported in incubators as well as their accompanying Mums and/or Dads.

At a recent meeting the question was raised as to why are we raising funds for them when they can afford to advertise on television. I put this to Seb, the fundraising manager at Life Flight. He pointed out that those slots on tv are paid for wholly by Westpac and that it is as much a branding exercise for Westpac than just an appeal for Life Flight. As a District we have pledged to raise over \$300K towards the incubator fitouts and those attending the visit today could clearly see the benefits of helping this worthwhile cause. We all just never know when one of our loved ones or us ourselves might need their services.

An enjoyable lunch was had by all at Spruce Goose café.

Please note there is **NO ROTARY MEETING THIS TUESDAY EVENING** as today's visit and lunch was our meeting for this week.

Keep warm everyone.
