

Nepal Flash Floods Relief Fund

A catastrophic glacier collapse and landslide struck the Nepal-China border on 26 August 2026, triggering massive flash floods that have killed at least 160 people and left hundreds more missing

Rotary New Zealand World Community Service supporting the Rotary Australia World Community Service Appeal

- Summary:** To support Rotary projects to assist the people of Nepal following the deadly flash floods and landslides that have devastated communities and damaged critical infrastructure.
- Challenge:** Widespread damage in Nepal will take years of intervention and support.
- Solution:** Rotary Clubs in Nepal will support families and their communities to rebuild their shattered lives.
- Long term impact:** Support will assist the Nepal community to recover beyond replacing physical homes to restoring their long-term economic, psychological, and social well-being.
