JOINING US

Membership application forms are available on our website www.dunedinrotary.org.nz or from any club member. You are welcome to come and join us at one of our weekly lunchtime “meetings” to get an idea of who we are and what we do.

The commitment Members make to Rotary

Ideally, regular attendance builds friendship. We meet at the “Petri Dish” Function Center in Stafford Street each Thursday lunchtime 12.30 pm to 1.30 pm.

Given that family and business are priorities, attendance at every meeting is not always possible. Members are encouraged to attend as frequently as their commitments allow .

What is the financial commitment?

Our 6-monthly subscription is currently \$145 plus a voluntary donation of \$30 (tax deductible) which goes towards Rotary Foundation Programs. There is a prompt payment discount of \$15. The weekly meals are optional and a la carte.

Rotary Committees

When you join Rotary, you will be appointed to one of the Club’s project groups. These are regarded as the engine room of Rotary as they are where much of the business, projects, and fellowship are fostered.

Our Club has five project groups:

- Management group
- City & Community group
- Membership group
- Town & Country group
- Youth group

WHAT IS ROTARY?

PROGRESS

Paul Harris formed the world's first service club, the Rotary Club of Chicago, on 23 February 1905. The Rotary motto is "Service Above Self" and, more than a century later, Rotary continues to concern itself with truth, fairness, improved relations between peoples, and world peace. Rotary members promote international understanding and were involved in the development of UNESCO, and, later, some 50 Rotary members served as delegates and consultants at the founding of the United Nations. Today, Rotary holds the highest consultative status with the United Nations that a NGO can obtain. In this capacity, Rotary has a voice within the UN system allowing access to its people and resources worldwide.

PEOPLE

Belonging to a Rotary club gives men and women an enjoyable and organized way to make a contribution to their community. Rotary members meet weekly for fellowship and to plan club, community, and international service activities. By using their expertise globally, members also enhance their professional network, career development, and cross-cultural understanding. Rotary clubs are nonreligious, nongovernmental, and open to every race, culture, and creed. Members represent a cross section of local business and professional leaders.

PROJECTS

Rotary clubs participate in a broad range of humanitarian, intercultural, and educational activities designed to improve the lives of people. Projects can provide health care and medical supplies, clean water, food, job training, youth development, and education to millions of people in need. More than 200 grants are made each year to fund the work of Rotary volunteers who travel to parts of the world where their technical expertise and knowledge are most needed to alleviate hardship and solve problems.

PEACE

Rotary builds understanding through international scholarships, exchange programs, and humanitarian grants.

- 70 World Peace Scholarships each year for graduate studies in international relations, conflict studies, and negotiation - providing promising leaders the tools to further the cause of peace.
- Some 35,000 students from 110 countries have also studied abroad since 1947 as Rotary Ambassadorial Scholars.
- Each year some 8,000 secondary-school students experience life in another country through Rotary's Youth Exchange program.

POLIO ERADICATION

Rotary launched its polio immunization program Polio-Plus in 1985 and in 1988 became a spearheading partner in the Global Polio Eradication Initiative with the WHO, UNICEF, and the U.S. Centers for Disease Control and Prevention, which was later joined by the Bill & Melinda Gates Foundation. Since the initiative launched, the incidence of polio has plummeted by more than 99.9 percent, from about 350,000 cases a year to less than 100 to date in 2020. Only two countries are polio-endemic: Pakistan and Afghanistan.

Rotary has contributed more than \$1.5 billion and countless volunteer hours to fight polio. Every dollar Rotary commits to polio eradication will be matched two-to-one by the Bill & Melinda Gates Foundation up to \$35 million a year.

From Sarah Warhurst, Business Development Manager, Harcourts Highland Real Estate Group Ltd .

“Being involved with local and international projects which benefit others is truly rewarding - especially when you're participating with like-minded people, sharing laughter, positivity and a common goal. That's why I enjoy Rotary.”

ETHICAL ENVIRONMENT

Encouraging high ethical standards in one's profession and respect for all worthy vocations has been a hallmark of Rotary from its earliest days.

In their business and professional lives, Rotarians look to "The Four-Way Test" for inspiration and guidance.

LEADERSHIP DEVELOPMENT

Rotary is an organization of successful professional, business and community people. Team building, fundraising, public speaking, planning, organization, and communication are just a sampling of the leadership skills that club members can exercise and enhance. Being a Rotary leader provides further experience in learning how to motivate, inspire, and guide others.

DIVERSITY IN MEMBERSHIP

Rotary's membership comes from a wide range of people—men and women of all ages and backgrounds are welcomed into Rotary

From Peter Gouverneur, Past President of the Rotary Club of Dunedin.

"As a member of Rotary you will make a lot of wonderful friends, you will have plenty of opportunities to help others in your local community and across the world, you will develop your leadership skills, listen to some great guest speakers and above all have fantastic fun."

OBJECT OF ROTARY

The object of Rotary is to encourage and foster service as a basis of worthy enterprise and, in particular, to encourage and foster:

1. The development of friendship as an opportunity for service.
2. High ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity to serve society.
3. The application of service in each Rotarian's personal, business, and professional life.
4. The advancement of international understanding, goodwill, and peace through a fellowship of business and professional persons united in the ideal of service.

Rotarians are people who share their time and energy to help their community.

A worldwide organization, Rotary is made up of men and women across all vocations.

In New Zealand, there are more than 10,000 members of 240 Rotary clubs in towns, cities and small communities, all committed to 'Service above Self'.

From Jonathan Usher, Magician, and Past District Governor of Rotary International.

"Muhammad Ali said 'Service to others is the rent you pay for your room here on Earth'. Rotary gives me the opportunity to serve others through the outstanding work we do in our own communities, and others around the world."

WEST HARBOUR RECREATION TRAIL

The Rotary Club of Dunedin has been responsible for some pretty big projects in the past, from Rotary Park at Highcliff to the Youth Adventure Facilities at Berwick.

Our most recent major Club project was the beautification and provision of recreation opportunities along the shared pathway (Cycleway) between the Boat Harbour area and Maia. The work involved landscaping and planting with native shrubs. There are also picnic tables and seats, a barbeque area and informative signage telling the story of points of interest along the way. The club worked on the project over 5 years and the total cost was \$150,000.

Exercise equipment is also provided in two areas and this equipment, while able to be used by all, targets seniors. One area has been designated for t'ai chi.

The completed project was opened on April 22 2018 by Dunedin Mayor Dave Cull and will be maintained by the city council as a public recreation area.

From Jackie St John, Past President of the Rotary Club of Dunedin and Environment Lawyer.

"Being a member of the Rotary Club of Dunedin allows individuals to give their time and abilities to projects, both large and small, local or overseas. Through these projects we are able to satisfy our desire to assist those whose circumstances are not as well off as ourselves."
