

Dunedin – Weekend of Connection 31 May - 1 June 2025

Work-Bee at Rotary Park - Sat 31st May 9am – 3pm

Sunday 1st June - alternate day if wet or if any finishing required.

Event:

District Governor Dave McKissock invites all clubs and Rotarians to come and join us and have a lot of fun by attending the districts third “Weekend of Connection” which is to be held in Dunedin on 31 May – 1 June 2025. The weekend is a collaborative project event, where all those in attendance will be either painting fences, or assisting with the continuation of the development of Dunedin’s Rotary Park. The project work has a range of physical activities, which will suit all levels of physical fitness and capabilities.

The weekend will consist of a variety of native plants planting, preparing and clearing ground, spreading mulch and raking and levelling track borders. The weekends programme will cover the two days, weather permitted.

The aim of this weekend is to bring our wider rotary family together to undertake a collaborative project, but importantly have fun, and have the opportunity to network, share stories, create club connections, and develop project ideas.

Registration:
