

WHAT IS RYLA

Rotary Young Leaders Awards

Information for Business and Industry Sponsors and their applicants

RYLA is a five-day residential high energy programme designed to further develop young leaders.

Rotary District 9999 runs two RYLA camps, one in Christchurch and one in Queenstown. The candidate can choose the camp that suits best based on dates, location, or age.

- ✓ **RYLA Christchurch** - 15-20th January 2023, at College House, Waimairi Road Christchurch. The cost for Corporates and Industry is **\$1,150pp**. This camp is open for candidates aged **18-25** years old.
- ✓ **RYLA Queenstown** - 29th January – 3rd February 2023 at Lakeland Park Camp. The cost Corporates and Industry is **\$900pp**. This camp is open for candidates **20-30** years old.

The participant is responsible for getting themselves to and from the venue and to obtain the items on the equipment list.

Originating in 1959 in Queensland, this exciting programme engages Rotary clubs around the world every year to help the next generation of leaders expand their skills. The **RYLA** programme is an intensive, live-in camp, where participants are recognised as current and future adult leaders.

RYLA is very much about collaboration and enjoys substantial goodwill within the wider community, each year attracting cooperation from community and cultural organisations, business, as well as civic and national leaders. Each supporter understands the long-term benefits our young leaders gain from their **RYLA** experience.

RYLA is facilitated by a passionate bunch of Rotary volunteers who facilitate an extensive programme of interactional activities and workshops within a positive and supportive environment. This is enhanced each year by a handful of previous attendees of **RYLA**, who return to play a peer-mentoring and support role and who assist running the **RYLA** programme as team leaders.

RYLA brings together individuals to harness creativity, diversity, inspiration, and energy to cultivate personal growth, challenge limits and empower long-lasting meaningful change. Participants engage in workshops, activities, group discussions and interactions with other like-minded adult leaders from all walks of life, and for many this is life changing. Participants will also make valuable vocational contacts, new networks, and amazing new friends.

More than 25,000 young leaders graduate from **RYLA** courses each year around the world. It helps to develop self-confidence and a wide range of personal skills such as planning, personal organisation, public speaking and helps participants to understand the requirements of many aspects of personal leadership, community, and business. Simply put, the **RYLA** programme is designed to grow young leaders and provide the resources for them to thrive and to go on to empower other young leaders.

Participants can expect to cover:

Self – *Who am I? How can I be the best I can be?*

Career – *What is expected of me? How can I develop leadership skills to get ahead?*

Leadership – *Aspirations: What do I want to achieve? How will I accomplish my goals?*
