

DISTRICT 9980 CAR RALLY AND FUN (TRACK) DAY NOVEMBER 10TH AT HIGHLAND'S PARK

Good morning all and a couple of exciting updates for you all as Highlands have agreed to even more cool options on the day ☐ ☐

- **The Museum will be FREE to everyone attending so a fantastic saving of \$25 per person!**
- **They have donated TWO HOT LAPS in a SUPER CAR for auctioning off to raise funds for a Rotary 9980 District Project so bring your best offer!**
- **They are Waiving the cost (\$600) of using the Pit Area for our Fun Day get together.**

One small change though to the cost of taking your car around the track, it should show **\$50 on the event page and not \$20**, however with the fantastic donations from Highlands outlined above, a small expense to feel like a racing driver and take your passengers around with you.

Remember, numbers of people attending to your President by the 2nd of November please so that we have numbers for catering.
Cheers, DK
