

This is the information from the TTCC for our Club meeting.

When we arrive we sign in either at reception or Bar with our TTCC Membership card. This provides the necessary tracking and tracing details.

Proceed to the meeting room and take a seat.

A staff member will take your drink order and bring it to you. This staff member will set up a tab and we pay at the restaurant or Bar on departure.

For the first meeting our meal will be plated and we go to the servery, collect our meal then return to our seat.

Please put in your apology otherwise you will have to pay for this meal.

They will come in and clear our tables when we have finished eating.
