Te Ope Whakaora The Salvation Army

Caring for people. Transforming lives. Reforming society.

7 December 2018

**Rotary Club of Timaru**  
**PO Box 78**  
**Timaru 7910**

Dear Membership

**Gifting to Salvation Army Community Ministries Timaru**

Throughout 2018 your club has generously provided bagged firewood to the Salvation Army Community Ministries team here in Timaru. Please accept our gratitude and appreciation for your generosity and dedication to your work. Knowing you could rely on the supply made life a little simpler for the Community Ministry team.

The firewood has been assisted those in need, helping to mitigate the costs associated with power bills and the other normal costs of family life. Unfortunately for a number of folks those 'normal' costs stretch beyond budgets and finances.

Suppling firewood doesn't change everything but it does provide warmth and express the care of the wider society for those in need. Your gift has and will continue to provide our clients an opportunity to move forward, often while experiencing very complex and demanding circumstances.

Please accept our thanks and know that your gift plays a role in making a real difference in the local community. We wish you all a very Merry Christmas and a Happy and safe New Year.

Kind regards
