What an absolute pleasure is coming your way...

DICK WILSON

Rotary Club of Stirling

How often do you get to hear from so many Rotary International leaders in sessions across 2 days? The program looks terrific and includes Canadian Rotarian Jennifer Jones, just nominated to be Rotary International World President in 2022-23.

Rotarians in my Club, Stirling in South Australia have already been invited to attend members' homes to:

- Enjoy the fellowship (Covid maximum 12 people)
- Watch the presentations, both live and by video
- Enjoy lunch together afterwards
- Being the premium wine growing State, have a glass or two!

Do not let this opportunity bypass your Club – what a great alternative to your usual meeting.

Register online – the Virtual Conference is free – join over 1000 Rotarians already planning to log in!
