### Thanks a bunch!

Karen Foster, Rosie Chambers and Chantelle Litten (From Alzheimers South Canterbury) and Diane Nutsford (Park Centre Board member) were delighted to receive the generous donation of the 55"HD Android TV and stand from Bev Slooten and Lynette (Representatives of Timaru Rotary Club) for the Park Centre. On Tuesday 7th June we met to celebrate with a media photo shoot for the Timaru Courier which we had plenty of laughs at. The much needed tv was used for the first time to help provide support and education to our highest number of carers, at the recent Sharing the Journey course and will be an asset to the Park Centre for future hiring of the venue by other organisations.

Timaru Rotary club your donation has made a big impact already. Thank you!
