

AGM 1st part 2018.

As we wind down a busy 6 months and head off to holiday season I wish to thank everyone for their support and friendships over the last 6 months.

What a rollercoaster ride from a hideous beginning to now. It's amazing how support from others can give you strength.

Our club has a very strong foundation of fellowship which is so evident in all the support each one of you gives each other. I see members quietly working behind the scenes helping others I see others giving up family time to work tirelessly for Rotary.

I have been impressed with the amount of money the hot-dog caravan is continually bringing in. The introduction of the Eftpos has proved to be successful'

The Team working on the Constitution and Bylaws have done an amazing job to get it this far. Bev will have an interesting year bringing in the new changes.

The hands on help we continue to give to the community around us is invaluable. Blood pressure checks Collecting for Cancer. Putting up shelves in the upgraded Cancer Rooms. Chopping kindling for the elderly. Chopping wood for those who cannot afford it. 'Toot for Tucker' and the list goes on and on.

The Xmas parade was a big event for our youngest member. With our support she rose to the challenge and was successful.

To work with all 5 Service clubs together to help bring Santa to so many children was a great to see.

Julie Dockrill your efforts for the 'Mongolian Midwives' have been tremendous. So many lives will be saved so many babies will live a better healthier life.

Stephen has attached a list of people and organisations we have helped financially this year.

It's amazing how many people lives we have effected some in small ways others in huge ways.

Our Board of Directors have done an amazing job. Its great to see active discussion around our table. It's what we need to keep up the good work we are doing.

John and Lionel, well what can you say hours and hours of work helping to make my role easy. Thank You both.

Lets all have a wonderful restful Xmas and New Year.

My hope is that everyone gets to spend happy times with family and friends.

Thank you to everyone.

Lets rock the next 6 months.

Andrea
