

Saturday was a **SUPER** busy day for us in the Hot Dog Van at the “Rock n Hop” event at Caroline Bay. Well done and *thank you*, Jenny & Basil Ensor, John & Vicki Rushton, Gary Rushworth, Bev Slooten, Jim Garden & Tony Henderson, along with Lionel Wilson making a delivery of chips to keep us going. Bruce Borrell was away on the day but made sure the van was all set before he left on leave. I was certainly kept very busy cooking on the shift I was on. A fantastic team effort. A very well-run event, bringing many visitors into Timaru for the various activities held over the past few days, all in aid of fundraising for Hospice.

A reminder to send your ideas to Mike Parr following our last meeting.

The very successful “Illuminate” light show in the Botanical Gardens is scheduled for 26, 27, 28th April, & 3, 4, 5th May this year, and our club will assist, as we did last year, so please pencil in the dates in your diary and when we have further information, we will pass it on and set up a roster for those willing to participate. Check out <http://www.illuminateshow.co.nz/> to give you an idea of what the event is about if you haven't read about it already.

The same Event Team are also doing a one-off “Colourfest” on April 6th, which should be fun, so like above, when further information is received, we will organize further. Please contact Greg Sugrue if you require any further information in the meantime.

Jess Hewitson & Julie Dockrill will be back home by the time you are reading this, from the wonderful photos they have been sharing with us during their visit to Nepal we have been able to follow their progress along the way. An amazing journey and a very worthwhile project that they have undertaken - thank you and well done team.

Looking forward to catching up with you all again on **March 26th**, unless of course you have purchased tickets and are attending the Altrusa fundraising, Movie on Wednesday night, in which case, we'll see you there.

Lynette
