The venue will open from 6pm and the function will begin at 7pm. Return transport will be available departing from various locations around Cromwell for the small cost of \$2pp to cover fuel costs

Food and Beverage

The fantastic team at Moreish Kitchen have designed a delicious 2 course menu for us to showcase the beautiful bounty of our place. The bar at The Canyon serves Kuru Kuru and Tarras Vineyard wines as well as a selection of beers and non-alcoholic beverages.

Entertainment

Ryan Shanks is a professional guitar soloist whose musical preferences are vast, from classic rock, and blues, to modern pop, and pretty much everything in between. But one thing we can be assured of is that Ryan will be easy on the ears and make sure we can still talk and hear while he plays.

Cost

\$55.00 per person includes venue, meal, and entertainment. Only pay for your own drinks.

Please prepay for your meal to bank account:
