

Dear Rotary Club Timaru

Thank you so much for contributing to the Sponsorship of my Spirit of New Zealand 10 day Development voyage. I am very grateful and have enjoyed this experience a lot.

Throughout this voyage we have sailed to many amazing parts of the North Island, as an individual I have learnt leadership skills, made long-lasting friends from many different places, character building and tried things I never thought possible. This experience has been challenging mentally ^{and} physically. ~~as well as~~

Thank you again to your organization for enabling this incredible opportunity to happen, I appreciate it immensely.

Kind regards,
Emily Smith.
