

# Guess Who's Coming to Dinner?

**Date:** Saturday 29 May

## What happens?

A group of 6 or 8 Rotarians have a dinner party at a member's home. The host provides the venue and the main course. The guests provide the desert and the pre- and post-dinner nibbles, or an entrée if there are 8 at the dinner. Everyone brings their own preferred drinks. No one knows ahead of time who's going to be at the dinner they attend. Everyone's told how many will be in their group on the Wednesday (so they know how much to prepare), and will be told the address to go to at 6:30pm on the day of the dinner.

If you want to take part we'll ask if you want to be a host or a guest or either if you don't mind which. The organiser will sort people into groups.
