Helping Heart Kids through life.

**Timaru
Rotary**

We have been so lucky over the years to be supported by such great origination like Timaru Rotary that has donated Heart Kids South Canterbury with coagulation machines. Timaru Rotory are holding a garage sale in November at the Town and Country Club, if you have any items you would like to donate please contact Peter and they will come and collect it. Peter Russell - 686 1372.

Z Caroline Bay Good in the Hood

Once again we are lucky to be selected for good in the Hood, money raised will provide CPR course and First Aid courses for our families.

The Abilities in Me

HKSC has recently purchased The Abilities of me book and the Author Gemma Keir kindly signed them for us.

This book is dedicated to the wonderful, brave children who are born with a congenital heart defect. Most of these children will have to undergo major heart surgery before their 1st birthday and the majority will have to have more than one operation in their lifetime.
