I had to pass this along...my belly hurts from laughing!!!! 😂

How grandchildren perceive their grandparents

1. I was in the bathroom, putting on my makeup, under the watchful eyes of my young granddaughter, as I'd done many times before. After I applied my lipstick and started to leave, the little one said, "But Grandma, you forgot to kiss the toilet paper good-bye!" I will probably never put lipstick on again without thinking about kissing the toilet paper good-bye....

2. My young grandson called the other day to wish me Happy Birthday. He asked me how old I was, and I told him, 72. My grandson was quiet for a moment, and then he asked, "Did you start at 1?"

3. After putting her grandchildren to bed, a grandmother changed into old slacks and a droopy blouse and proceeded to wash her hair. As she heard the children getting more and

8. When my grandson Billy and I entered our vacation cabin, we kept the lights off until we were inside to keep from attracting pesky insects. Still, a few fireflies followed us in. Noticing them before I did, Billy whispered, "It's no use Grandpa. Now the mosquitoes are coming after us with flashlights."

9. When my grandson asked me how old I was, I teasingly replied, "I'm not sure." "Look in your underwear, Grandpa," he advised "Mine says I'm 4 to 6." (WOW! I really like this one -- it says I'm only '38'!)

10. A second grader came home from school and said to her grandmother, "Grandma, guess what? We learned how to make babies today." The grandmother, more than a little surprised, tried to keep her cool. "That's interesting," she said. "How do you make babies?" "It's simple," replied the girl. "You just change 'y' to 'i' and add 'es'."

11. Children's Logic: "Give me a sentence about a public servant," said a teacher. The small boy wrote: "The fireman came down the ladder pregnant." The teacher took the lad aside to correct him. "Don't you know what pregnant means?" she asked. "Sure," said the young boy confidently. "It means carrying a child."

12. A grandfather was delivering his grandchildren to their home one day when a fire truck zoomed past. Sitting in the front seat of the fire truck was a Dalmatian dog. The children started discussing the dog's duties.

"They use him to keep crowds back," said one child.

"No," said another. "He's just for good luck."

A third child brought the argument to a close. "They use the dogs," she said firmly, "to find the fire hydrants."

13. A 6-year-old was asked where his grandma lived. "Oh," he said, "she lives at the airport, and whenever we want her, we just go get her. Then, when we're done having her visit, we take her back to the airport."

14. Grandpa is the smartest man on earth! He teaches me good things, but I don't get to see him enough to get as smart as him!

15. My Grandparents are funny, when they bend over, you hear gas leaks and they blame their dog.
