

We had a couple of thank you/Christmas cards this week from Family Works, acknowledging the club's efforts/support throughout the year and also the Christmas Angels support. A little thank you is always appreciated!

On Tuesday we held the 1st part of the 94th AGM of the Club and then we broke off into our committee meetings for our final catch up of the year. Thank you to all the club committees, your efforts make our wee club tick!

See you all next week at the Shearers Quarters for our Christmas Dinner, the final Tuesday meeting before we break for the holiday season. (cue the Michael Bublé music "it's beginning to look a lot like Christmas")

Closing thought of the week: Quote from Author Audre Lorde "It's not our differences that divide us. It is our inability to recognise, accept and celebrate those differences."

Immediate Past President
