Rotary Club of Timaru
PO Box 78
Timaru. 7940

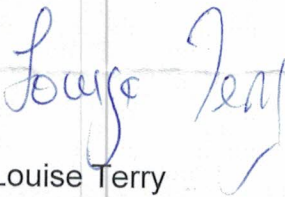

Dear Bev

I have been asked to pass on to you and your members, our grateful thanks for the donation of \$2,500, given to Robyn Baldwin to pass on to us.

The Board and clients of South Canterbury Multiple Sclerosis are deeply appreciative of this very generous donation. The money will be used within the South Canterbury district and used to purchase some much needed equipment for our clients to use.

Thank you once again

Yours sincerely

Louise Terry
Secretary
MS Committee

Children have heart conditions too!

11th February 2020

Dear Rotary Club of Timaru Member's

Please accept our sincere thanks for your \$2500.00 donation to **Heart Kids South Canterbury** an affiliated Branch of Heart Kids NZ Inc. Our organisation is conscious of the many requests from very worthy causes that individuals are faced with today and we thank you for choosing to support our Heart Kids.

Children with heart conditions make up the largest group of chronically ill children needing on going treatment in New Zealand. 12 babies a week are born with a heart disorder. With advances in the medical and surgical fields many of these children are now living longer and their needs are increasing. With your support we are able to provide services and meaningful support to these children and their families, fulfilling our mission of supporting Heart Kids through life. Further information on Heart Kids NZ Inc and the services we provide is available through our website www.heartkids.org.nz

Thank you once again for choosing to help **Heart Kids South Canterbury** support New Zealand's youngest heart patients.

Yours sincerely

Nicky Merritt
Secretary/Family Support
Heart Kids South Canterbury
