APRIL AREA OF FOCUS: MATERNAL AND CHILD HEALTH

To Be A Rotarian

It takes a unique quality to set aside one's needs
And join a special club to ensure dreams succeed.
It takes determination that comes from deep within,
It takes one of a kind – to be a Rotarian.

It takes one who is willing to heed a call for help,
It takes belief to act in Service Above Self,
It takes a heart of gold to say, "Yes, count me in",
It takes rock solid character – to be a Rotarian.

It takes time and patience and staying to the end,
And a stranger's cry of help for you to be their friend,
It takes dealing with rejection and leading with your chin,
It takes real humility – to be a Rotarian.

It takes a kind of magic to achieve the things they've done,
Teamwork, trust, tenacity, and of course, a lotta fun,
It takes all of the above, but when all is said and done,
It just takes one who cares – to be a Rotarian

Thought for the Week:

If life is a game, your friends are your team. Choose them carefully and hold on to those who embrace your strengths.

Winston's Birthday

The South Canterbury Dram League is offering clubs and organisations a special discount for this play. If you have a block booking of 20 we will offer the seats at \$20 instead of \$24. We can hold those seats and the money can be paid at the door so there is no booking fee. The only thing is that we would need to know by 8th May to ensure that we can make that number of seats available. Thursday night 25th May is not available as it is a Hospice fundraiser.

Bookings can be done by phoning: 6862209
