

Hi Guys.

Following the successful inaugural luncheon meeting we had at the Timaru Town and Country Club on the 6th November 2020 Roly and I have put together three dates for this year and I have prepared this newsletter for each of you to ask your Club if they can put it in their weekly newsletter from now till the end of February and if you can follow this up with your club numbers that will be attending, also by the end of February. This is now the information to go in your clubs newsletter.

**PAUL HARRIS FELLOWSHIP**

We would like to extend an invitation and welcome to any members of your club who would like to attend the three functions we have set up for this year.

FIRST ONE           FRIDAY 5th MARCH

SECOND ONE       FRIDAY 4th JUNE

THIRD ONE         FRIDAY 3rd SEPTEMBER

These will all be held at the Timaru Town and Country Club in Douglas Street in Timaru. We meet at 12.00pm and the expected finish is 3.00pm. As mentioned in earlier correspondence we hope to always have one of our Paul Harris Fellows who are there on the day be a guest speaker and we have been fortunate for our first function to have Jim Hopkins of TV fame who is a member of the Oamaru club, so we would like to thank Jim for being available.

Please note these dates on your calendar and let your Contact person know by the end of the month before whether you are attending.

Looking forward to seeing everyone.

Regards

Roly Veitch and Dick Dodds
