

Hi Guys.

As you will recall Roly and I put a lot of effort in with all the clubs to test the interest and viability of all 8 clubs that may be interested in meeting together as Paul Harris Fellows over a lunch date a few times a year. On the 6th November 2020 we had our 1st trial meeting and it was confirmed by all those present that it was a success and we would have 3 meetings a year, March, June and September. March got cancelled because of a lack of interest and possibly as we were in a partial lockdown. When June came along we had hardly heard from most clubs and only had 13 confirmation and as I was out of action because of a fractured hip we decided to pull the plug and not carry on.

Because some of the 13 that showed interest were disappointed that it was cancelled and felt that it still should have been held, we have decided to revisit the concept with some changes in mind. The September meeting will not be held, but we would like all our club contacts to ask their Paul Harris members for a show of hands whether they would be interested in a Once a year meeting, the first to be next year.

THE PROPOSED CONCEPT

- A SOUTH CANTERBURY CLUBS ONLY (5 counting SOUTH)
- B ONE A YEAR
- C VENUE TIMARU TOWN and COUNTRY CLUB
- D SECOND FRIDAY in SEPTEMBER 2022
- E NUMBERS to be in by the FIRST FRIDAY in SEPTEMBER

PLEASE CONFIRM by TUESDAY 31st AUGUST 2021 if your CLUB would support it and approximate NUMBERS and we will then be prepared to organize it for next year.

Looking forward to your favourable reply.

Regards

Roly and Dick
