The Secretary
The Rotary Club of Timaru
P O Box 78
TIMARU

Dear Sir/Madam

On behalf of the Plunket staff I would like to thank Rotary for their continued donation of 'Spot the Dog' books which we distribute to new parents in the South Canterbury area.

This gift enables the Plunket Nurses to promote the benefits of books for babies and how they enhance children's brain development in this very technological age. Plunket staff also report this lovely gift assists in breaking down boundaries at the first contact.

The wood has been very much appreciated by our families who struggle to keep their homes warm in the winter.

Many thanks for your continuing support and a special thank you to Jim Garden for delivering the books and firewood, this is very much appreciated.

Yours sincerely

A handwritten signature in cursive script that reads 'Raelene Todd'.
