TIMARU

Dear Timaru Rotary Charitable Trust & Members

Donation

On behalf of our organisation, I would like to thank you for your donation of the Television & Stand you recently donated to our Park Centre. This will not only benefit our clients, family/whanau and carers within our organisation, but is a wonderful asset to all those other community groups and organisations who may hire the Park Centre also, meaning this generous donation will have a large impact on the wider community.

It was lovely to meet you yesterday for our photograph opportunity and we look forward to continuing to work together to support the South Canterbury Community.

Thank you for your generosity and we hope to keep in contact.

Kind Regards

Rosie Chambers

Service Manager
