9980 District Conference in Balclutha 17-19 April 2020

Saturday is a hands-on day with projects planned in the Balclutha area.

Its time to register and make your accommodation plans (hopefully everything is still in existence).

Next week's meeting

We will be making a presentation to Heart Kids and the MS Society as per takings from the Spring Garage Sale held last November.

I am looking forward to hearing Tony, Jess and Kerryn's presentation about their work with the Starfish Project in December 2019.

I certainly appreciated their efforts making the videos for us to share at our December meetings, including our Christmas function.

PSSC - Refugee Meeting

Please give it some thought is you're able to attend the meeting for the development of this Timaru wide service.

Please contact Bev or Shaun.

I hope you all enjoyed Waitangi Day and enjoy your weekend.

Bev.
