

Now are you ever in for a surprise this Tuesday. I expect an excellent attendance this Tuesday as last Tuesday I didn't need to take my shoes and socks off to count the numbers attending. I thought it was school holidays, not Rotarian Holidays!! To know what the surprise is you will have to go down to the Town and Country Club for the Rotarian's Picnic on Tuesday evening, see you ALL then!!

Well, Chris kept us all amused last Tuesday with part two of his life story. He continues to be fined though for failing to disclose what the initials after his name are, which Jim alluded to when Chris first spoke. When you enter on Tuesday bring an extra dollar put it in the copper kettle at the entrance. Take a piece of paper and write down your guess as to what those initials might be. We will collect the entries and hand them to Chris. The entry Chris says is the nearest to correct will win a special 'Sargent' award. All to the Copper Kettle fund as usual so will not need to be passed around. I Hope Chris is coming on Tuesday, or you will have to wait until the following week for Judge Chris to announce the winner. Wonder what the Sargent's prize is and Chris you are now promoted to Judge, and you didn't know it! All is fair in Rotary as it passes the four-way test.

Are you feed up (pun) with eat and go on Tuesday? Well, does the Rotarians' Picnic this Tuesday has a surprise for you? We need you all sparkly and bright on Tuesday. As the great Rotarians Timaru Rotarians are, we need to do something to stir the pot; to bring in some dosh for our worthy causes. What will that be? You tell me on Tuesday. Seriously, I can hardly wait to hear your ideas! I know we have a magic team, and our team needs to cast its spell wider, to be able to assist some of the needy causes we care about.
